“Since 1961, the leadership of Harbor Island Yacht Club has passed through many Commodores, just as the Club’s Burgee and the Commodore’s Private Signal Flag have passed through many hands...” So the Change of watch ceremony begins each year. If you have never been to one of these grand events held at the First Quarterly meeting of the new year, you have truly missed something wonderful. To see the Flags pass through the ranks of our former Commodores is nothing short of an historic event. This year we had 17 of our past Commodores present representing 46 years of time honored tradition and service.

As well as the Passing of the Flag Ceremony, the Change of Watch is also the time our club recognizes Individual members in several different categories. This years recipients were as follows: Please Join me in congratulating these members for there achievements and contributions.

Stann Trophy: Ken Templemeyer

Good Guy Award: Howard Toole

Junior Sailing Trophy: Zack Laidlaw

Caldwell Service Award: Jan & Robert Mattix

Iros Cruising fleet Trophy: Greg Theriot

Thweatt New Member Award: Dave & Carolyn Brandon

Good Gal Award: Donna Copeland

Commodore Comments

As I take the helm at HIYC, I remember the first time I was given the helm as a young boy. I was on Center Hill Lake with my Uncle James and he had a small pleasure powerboat. As any young boy, I thought that was the coolest thing ever. He made a deal with me that day. If I would clean his boat, he would let me drive her. I never worked so hard in my life to please him so I could have that opportunity to take the helm of that boat.

Now as I enter a new decade and Harbor Island Yacht Club celebrates its 50th year, I find myself taking over the helm as the 50th Commodore with great excitement. This coming year, the Board of Governors plans to celebrate our 50 years with a big event that will be held on April 24th. We will start the day with the Tennessean Cruiser Regatta and finish it at the Vanderbilt University Club with a nice dinner, along with dancing into the night with the Craig Duncan Band. Make sure you watch for the announcements for the HIYC 50th Year Anniversary Homecoming Celebration. We will also have our traditional events and regattas to round out the year. Also, we plan to have another great year with our youth sailing programs.

Each year the new Commodore has a special agenda of items to accomplish during his or her term. As I was sitting in the wings the last 2 years, I realized that our clubhouse was in need of many repairs. So I decided it was time to give the clubhouse a refit. My list of repairs starts with replacing the old windows and putting on a new roof. I also have plans to remodel the old sun room and turn it into a room full of HIYC history.

In closing, I look forward to the coming year, working hard and serving as this year's Commodore.

Grateful,
JB Copeland

The Board of Governors has revised/clarified the Station Rules regarding the use of Club Power to insure insurance coverage to our club as a corporation while our members are operating the clubs power boats as follows:

CLUB POWER BOATS. (Rev 11/09) The power boats exist for the purpose of running HIYC races, sailing camp and as rescue boats. They will not be used for cruising, fishing, or water-skiing. The Power Boat Chairman is responsible for their upkeep, repair and safety. Only club members who have received safety and operational instruction by the Power Boat Chairman for each of the clubs power boats may use the boats that they have been checked out on and then, solely for the performance of their assigned duties. The Board of Governors grants permission to operate the power boats of HIYC to:

1. Member race officers and their assistants in any regatta or race,
2. Member staff and faculty of HIYC Junior Training Program and Summer/Sailing Camp,
3. Member power boat maintenance officers and their assistants,
4. HIYC Harbormaster and his or her assistants and
5. Any member for the purpose of life saving or recovering boats that slip their moorings or need rescue.

Anyone that needs to use the clubs power boats for any other reason than those defined above needs prior Board of Governors Approval.

HARBOR ISLAND YACHT CLUB

A Brick for A Refit

As we celebrate our 50th year in 2010 at Harbor Island Yacht Club, Our *Club House* that was built in the mid 70's needs a *refit*. The house needs new energy efficient windows and doors. The old appliances in our kitchen could do with an upgrade. The sun room needs to be remodeled and put to good use. The exterior could use a new fresh coat of paint. The steps are on their last legs and we could go on and on with the other repairs the house requires.

How can you help? The Board is asking for a minimum donation (non tax-deductible) of \$100.00 to receive a Brick from the Old Club House Fireplace. Our goal is to raise \$20,000.00 which would pay for these upgrades.

With every souvenir brick, you will receive the history of the old club house and a photo copy of Arnold Nye's painting of the house (now hanging in the new club house) which is Suitable for Framing.

We have fallen short of our goal.

Please consider ordering a Brick to help raise funds to repair OUR CLUBHOUSE

Thanks again for those that have supported our fund raiser.

The Board

Minimum donation (non tax-deductible) is \$100.00 per brick.

To order your souvenir brick, please fill out the order form below. Please make checks payable to HIYC and mail to JB Copeland at 3451 Nonaville Rd., Mt. Juliet, TN 37122. If you have any questions, call JB at 615-948-1678 Or E-mail him at HIYCBRICK@aol.com

Regatta Invitation

Harbor Island Yacht Club cordially invites you and your crew to attend the Warterfield March Winds Regatta on Old Hickory Lake in Old Hickory, TN. March 6th and 7th, 2010.

History – The Warterfield March Winds Regatta, held on the first full weekend in March, bears the name of Charley Warterfield who died unexpectedly in mid-December, 1998. This remarkably talented architect and sailor served as our Commodore in 1983. The tradition has continued that the retiring commodore take responsibility for serving as regatta chairman for the event.

Registration 8:00 AM, Skippers Meeting 9:30 AM, 1st Start 10:55 AM — Registration Fee: \$15

Sea Scouts News

You open your eyes after a wonderful night's sleep on the hook. Arriving on deck you look around and see small islands all around you. You're on a wonderful charter with friends in a beautiful location. Today you need to work your way through several of the islands to your next destination. Additionally there will be some current to deal with and areas where it's too shallow to navigate. But it's ok, you have your handy handheld GPS with you. But wait...NO...the batteries are DEAD!!! So what do you do now? Guess you'll have to do it the old way. Get out the hand bearing compass, charts and navigation gear. Oh!!! Do you know how to use that stuff?

Most of January and February, HIYC's Sea Scouts are going to be working on Navigation skills. We started with the simple stuff. What's a hand bearing compass. How do you read a chart. How do you determine position based upon compass bearings and near by points of land or navigation aids such as buoys. As simple as it sounds, it takes some practice to get right. We want to thank Scott Howard for coming to our Jan 21st meeting to teach. He actually uses this stuff on a daily basis in his job as first mate on a 220 foot cruise ship. His insight in this area was wonderful. We've also got some plans for the kids to build their own sextants using common CD's with cases and some mirrors. Which should make for a fun evening. Then we'll be discussing the concepts which will allow the kids to actually use some of the math they learned in school but wondered if it was really important. And what about 'Set' and 'Drift'. And.... well you get the point. There really is a lot to this navigation stuff. But done right it can really be fun as well as useful. In the past we've had some Scouts that really got excited about doing the navigation. Hopefully this time we'll also be able to inspire some of them again.

Welcome New Members!

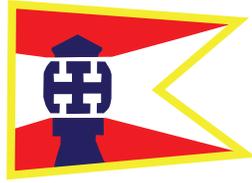

**The Allegras,
Mark, Denise, Zack, Emily & Mary-Kate**

We grew up in New York, met in high school, and then went on to attend Hofstra University where Mark obtained a BS in Engineering and Denise a BA in Psychology. We moved to South Florida where our first two children Zach 12, and Emily 9, were born. It wasn't until we moved to TN and had our third child Mary-Kate 5, that we decided to fulfill our lifelong dream of owning a sailboat.

We are active in both Boy Scouts and Girl Scouts. Mark often attends campouts from surviving in the wilderness to skiing. Denise leads Emily's troop as well as running a Service Unit of 500 girls in Williamson County. We are looking forward to sailing this summer and making many new sailing friends.
