SPRING is Here!

HIYC Spring Cleanup Day -- March 27, 2010

GOT MEMORIES?

Please help as we develop an archive room for HIYC!

Share your photographs, and other memorabilia that chronicle and celebrate the rich history of our HIYC family. Go through those old scrapbooks! Have any pics of the Tennessean Black Tie Balls? How about the McDougall Regatta Bagpie Corp? Vintage Anchorlines? We encourage you to make copies of extra special photos so they can also be included in our permanent club collection.

**Please drop donated pictures or copies in the box marked
“got memories” in the HIYC boardroom or**

Beth Marshall - johnamarshall@comcast.net**

Commodore Comments

I would like to thank Kent Martin for making the Winter Series a success after battling the unusually cold winter weather that we had this year. Great Job, Kent!!!! The Watterfield March Winds Regatta came off without any problems thanks to Rear Commodore Barbara Ward, the Chair of the regatta, and the knowledge of Jim Waller, the PRO and his race committee from Percy Priest Lake. I think everyone had a good two days of racing without having the strong winds we are accustomed to in March. Our next regatta was the Cully Cobb 50K and Peter Bennett was the Chair, and Andy Carson handled the PRO for this race. Both of these men, along with the race committee, did another wonderful job with the light winds and the long race. I think we should give many thanks to these members for their time and expertise. Without them and others, our racing program would not succeed.

Now, for some great racing in April, you will find on your calendar the Thursday Evening Races starting on April 1st. For more information, please contact Peter Bennett. A couple weeks later, on April 16th, Bruce Richards will host his Sailing Seminar "2010 Racing Rules of Sailing" at 7:00 pm. Next will be the inaugural Chuck Konesky Great River Race on April 17th.. After that, on the last weekend of April, we will have our now famous Tennessean Cruiser Regatta on April 24th and 25th. Your Vice- Commodore, Dave Desforges, will chair both of these regattas.

The time is near and the big event that we have been planning since January will be here on April 24th. If you have not made plans to attend and would like to do so, please get your reservation in pronto. The HIYC 50th Year Anniversary Homecoming will only happen once in our lifetime. What a wonderful evening it's going to be. You will be served a first class dinner, fit for a Captain and his crew. Plus, for all the music lovers and dancers, "The Craig Duncan Band" will perform music until 11:00 pm. Where else can you see good friends that you have known and sailed with for many years, have a wonderful dinner, listen to good music and get all dressed up?

Last month, we announced our plans for the "Got Memories" campaign for the new Archive Room in the club house. We are asking for your old photographs and memorabilia to fill the room with 50 years of Harbor Island Yacht Club history. Please send us your pictures so you can share your memories with your friends. Please contact Beverly Caldwell and Beth Marshall for any additional information or drop off your pictures in the Board Room in the box designated "Got Memories". Please help us make this Archive Room a success.

Please remember the HIYC Quarterly Meeting on Sunday, April 18th at 7:00 pm.

In closing, I will look forward to seeing you at the Homecoming Party and at the club.

Gratefully,
JB Copeland

The Tennessean Regatta

History — In 1954 a handful of Penguins converged on a small lake in north Nashville to compete in the first Tennessean Regatta sponsored jointly by the Nashville Sailing Association and Nashville's morning newspaper, The Tennessean. The winner of that regatta won the first challenge trophy established by the publisher of The Tennessean, the late Silliman Evans, Jr., a yachting enthusiast.

After holding the regatta on Kentucky Lake for a short time, HIYC brought it home to Old Hickory Lake where it cranks up each year in early Spring under the chairmanship of the Vice

Tennessean Regatta
April 24 & 25, 2010

Make Plans Now for a HIYC 50th Year Anniversary Homecoming

Mark your calendar and set sail for a evening with your Harbor Island Family. Celebrating 50 years, our sail club has spanned not just years - but generations.

Join us for a Homecoming!

Saturday, April 24, 2010
6:00 – 11:00 pm
At The Vanderbilt University Club
entertainment by Craig Duncan Band

\$50 per person — *Semi-formal attire*
Please R.S.V.P. before — April 18, 2010
reserved seating for tables of 8 only

Contact Barbara Ward at:
615-665-0335 • barbara.ward@belmont.edu
for more information, follow announcements at www.HIYC.org

Commodore. HIYC's most important and popular regatta, The Tennessean, often draws over 100 boats to compete in the two-weekend competition. Cruising class boats participate on the first weekend of racing, competing for the Harbor Island Cup. The Harbor Island Cup is an overall trophy established in 1968. On the Open Class weekend, competitors race for the Silliman Evans Trophy.

Both of these rotating trophies are among the most coveted silver awarded by Harbor Island. The original Harbor Island Yacht Club Challenge Trophy established in 1969 was retired in 1983. The Tennessean Regatta has changed from a large open dinghy competition with a formal Ball to a two-weekend series that tries to cover all potential classes in both dinghies and cruising boats. This Year, the Tennessean will highlight our 50th Year Anniversary Homecoming with a Semi-Formal evening dinner and dance. *All boats will be off the water by 3:00pm for Saturday's Race.*

We have planned for a shorter regatta this year due to the 50th Celebration on the 24th

SATURDAY April 24, 2010

8:00 am: Registration, Coffee, Donuts
9:30 am: Skippers' Meeting
10:55 am: Warning Signal for Start
3:00 pm: Boats Off the Water
6:00 pm: HIYC Homecoming Ball

SUNDAY April 25, 2010

9:00 am: Coffee and Donuts
10:55 am: Warning Signal for Start
3:30 pm: Trophy Presentation

Notice of Race and Sailing Instructions are posted online at:

http://hiyc.org/Regatta/Tennessean/Tennessean_SI.pdf

Konesky Great River Race

Last year, the Board of Governors decided to add a new spring regatta to HIYC's schedule. In honor of one of HIYC's finest Skippers Chuck Konesky, it was decreed that this new Spring Regatta should bear his name.

Along with the usual Heavy and Light Fleets that make up the typical HIYC Regatta, *there will be another fleet new to Harbor Island: The JAM (Jib and Main) Fleet.*

This fleet will be comprised of cruisers flying only a Jib (or Genoa) and Main — No Spinnakers! The JAM Fleet will have a separate start after the other fleets have cleared the starting area and will have a separate course as well to promote a more

relaxed race for those who are either new to racing/sailing or just want to participate in an afternoon of sailing with and against fellow cruisers.

SATURDAY April 17, 2010

9:00 am: Registration, Coffee, Donuts
9:30 am: Basic Rules Course
(for those unfamiliar to Racing)
10:00 am: Skippers' Meeting
11:00 am: Warning Signal for First Start

See the April Anchorline for more details or contact Regatta Chairman Dave Desforjes @ (615) 310-6732 or ViceCommodore@hiyc.org

Tennessee Safe Boater Course

Sea Scout Ships 360 & 851
With the
Tennessee Wildlife Resources Agency

We are excited to offer this course again this year for all interested in taking the Safe Boater Training for the State of Tennessee certificate.

This class will be at the Harbor Island Yacht Club on **April 10th 2010** beginning at **8:00am** until finished. We will also have an afternoon sail for any of the participants that want to see what sailing and Sea Scouts are all about and enjoy an afternoon on the water. (Box Lunch will be served)

Any Tennessee resident born after January 1, 1989 must show the TWRA-issued wallet Boating Safety Education Certificate as proof of successful completion of the TWRA Boating Safety exam.

No other certificate will be accepted as meeting the requirements of the law.

You must be at least 11 years old to take the exam. After studying the boating safety material, you must first purchase, for \$10.00, a Type 600 boating safety exam permit from any business (license agent) that sells hunting and fishing licenses (WalMart sporting goods, bait stores, marinas, etc.).

The receipt from this transaction is your "ticket" to take the exam. Try not to lose this receipt, it will admit you into our exam location and will also serve as a temporary certificate when you pass the exam.

If you do not pass the exam, this receipt/"ticket" can continue to be used to take the exam as many times as it takes to pass. Try not to lose it!

CLUB WASTE PUMP-OUT SYSTEM IN OPERATION AGAIN

The HIYC Pump-out System located on the south side of the Courtesy Dock was put back into service on Clean-up Day. Everyone who has a boat with a holding tank or a porta pottie is reminded that it is illegal to pump sanitary waste into the lake. The HIYC system is designed only for disposal of marine sanitary sewage. Use of this system to dispose of oil, gasoline, diesel-fuel, bilge waste, or other similar liquids is dangerous and strictly prohibited.

The pump-out operation is self-service and carried out by the boat owner or skipper after receiving instruction on its operation. If you need instructions or to refresh your memory on the operation, contact Ken Tempelmeyer or the Harbor Master, Doc Fielder. A set of instructions is posted on the bulletin board in the clubhouse.

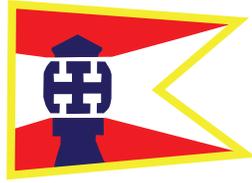

The system is activated by a token which may be purchased from Ken Tempelmeyer or Joe Ballard. The cost of the token is:

- For boats with holding tanks - \$5.00
- For portable toilets - \$2.00

Do not attempt to use any other token or slug than those issued by the club. Improper tokens can jam the mechanism. The system is set to run for 3 or 4 minutes and pump about 15 to 20 gallons of waste with one token. The pump-out hose is located in the white cabinet in the Tiki Hut. The combination for the cabinet is unchanged from last year. Call or contact Ken, if you have forgotten it.

Finally, when you pump out your boat, take another minute to record it in the log book which is also kept in the white cabinet.
